Puissé-je atteindre l'état du Glorieux Lama.

*May I attain the state of the glorious lama.*

Lama Trinley Gyamtso de la famille du roi du Grand Dharma a requis cette pratique, et dans le geste de ne pas le rejeter, celui qui est appelé bodhisattva Jamgon tulku, Pelden Khyentsé Özer, Ngawang Cheukyi Nyima, a écrit cela dans une chambre située au-dessus du temple principal Dowolung à Tsurphu. Puisse-t-elle être utilisée à bon escient.

La pratique fut transformée par le 3ème Jamgön Kongtrul, Karma Lodreu Cheukyi Sengué, en une pratique où son nom en sanskrit est inclus dans le mantra, et ainsi le mantra est rempli de bénédictions.

*Lama Thinley Gyamtso from the family of the great Dharma king requested this practice, and as a gesture of not rejecting it, the one who is called Bodhisattva Jamgon Kongtrul, Palden Khyentse Ozer, Ngakwang Chokyi Nyima, wrote this in a room above the main temple of Dowolung Tsurphu Monastery. May it serve a good purpose.*

*The practice was transformed by the IIIrd Jamgon Kongtrul, Karma Lodro Chokyi Sengye, into one where his name in the Sanskrit is included in the mantra, and so it is filled with blessing. This translation was made by Ringu Tulku and Michele Martin during May of 1992, in Sikkim*

## A Supplication Calling the Lama From Afar

NAMO GURAVE

Tous connaissent très bien la pratique consistant à implorer de loin les gurus. C'est la tristesse et le renoncement qui font surgir la dévotion, clé pour invoquer la grâce. La dévotion n'est pas quelque chose de banal; elle prend naissance au centre du cœur et dans la moelle des os. Animés de la ferme conviction que nul autre bouddha n'est supérieur au guru, récitez cet air mélodieux.

*Namo Guruve.*

*Prayers calling the Lama from afar are known to everyone. The key to invoking blessing is devotion motivated by repentance of old ways and renunciation of samsara. This devotion is not a mere repetition of empty words, but it comes from the depth of our heart, from the marrow of our bones, and from the conviction that there is no Buddha apart from the Lama. With this complete certainty, we chant:*

ଶ୍ରୀମଦ୍ଭାଗବତ ।

Quelques moines qui ont de la dévotion m'ont d'abord prié de composer une supplique, mais je n'ai pu répondre immédiatement à leur demande. Samdrup Drönma, pratiquante de notre famille, et Deva Rakshita m'ont récemment enjoint avec ferveur de rédiger cette supplique. Par conséquent, moi, Lodrön Thayé, qui possède à peine l'apparence d'un guru en cet âge des ténèbres, j'ai écrit ce texte au grand centre de méditation de Dzongshö Deshek Düpa. Que la vertu augmente!

(Traduit du tibétain à l'anglais par le Nalanda Translation Committee, puis de l'anglais au français par les Traductions Nalanda ; légères modifications par Esther Rochon)

*Previously, some devoted monks had asked me to write a prayer like this, but time slipped away and then recently, Samdrub Dronma, a lady practitioner from a noble family and Deva Rakshita earnestly requested me to compose this text and so I, Lodro Thaye, who in this degenerate time, is the mere reflection of a Lama, wrote this prayer at the great retreat place of Dzongsho Deshek Dupa. May virtue and goodness increase.*

*This translation was made by Dzogchen Pönlop Rinpoche and Michele Martin and it is indebted to a version by the Nalanda Translation Committee in Journey without Goal by Chögyam Trungpa (Shambala, 1985).*
